Welcome to the 2024 Topsham Fair

I am excited to start planning for our 2024 fair

My goal is to offer our 2023 vendors the same site(s) as last year as long as your application is returned no later than **April 15, 2024. I will fill your spot after April 15<sup>th</sup> and there will be no exceptions!! I have a huge waiting list for some areas and a list of new vendors wanting to join our fair.** We enjoy working with each of you and are always appreciative when you return. I am just overwhelmed with the number of vendors wanting to join us and honestly cannot wait to offer them a spot.

**\*\*A non-refundable deposit of \$250.00 is due by April 15<sup>th</sup> with all paperwork.** Those who already gave their deposits in 2023 are guaranteed their same spot, but an additional deposit of \$150.00 is due with your contracts and paper work need to be sent in. Spots are limited so our deposit price is rising each year. Our overall price per square is staying the same. \*\*

Each vendor will only be given one vehicle sticker for their vehicle and two (2) week passes as in the past. Other passes can be purchased on the contract or in the office the week of the fair. We are trying to keep our prices down and making small changes will help in that endeavor.

Also, due to the rise in electricity prices again we will be including an additional fee of \$125 per spot for those who need electricity for the week. This will help us keep vendor spots the same price as over the years.

I have enclosed a vendor application, terms and conditions (***please initial this page***) vendor contract and camping application. There is information on all four pages that I need to be part of the contract, so please return them all.

If you should have any further questions, please do not hesitate to call me at 207-577-8896 or for a faster response email me at [kril62@aol.com](mailto:kril62@aol.com). Looking forward to seeing you all at the fair.

Sincerely,  
Kathi Yergin
